TROPICS

TROPICS is issued quarterly with one volume per year by the Japan Society of Tropical Ecology, and publishes papers covering all aspects of ecology and ecology-related science. The journal is open to the results of original research, experimental or descriptive, and to significant reviews of aspects of the ecology of tropical regions. Its aim is not only to act as a valued means of communication between Japanese ecologists and other field scientists, but also to stimulate the research activities of ecologists and scientists of tropical regions. Those interested in contributing to TROPICS are highly encouraged to submit their work. Special issues of monographs or reviews may be published on occasion by decision of the editorial board.

日本熱帯生態学会 The Japan Society of Tropical Ecology

日本熱帯生態学会は熱帯研究の生態学的研究の進歩と研究成果の交流と普及に努めます。熱帯地域の生態学的研究といっても、熱帯生態学という確立した学問分野があるわけではありません。それぞれの研究者がそれぞれの研究方法によって熱帯地域の理解を深めていけばよいのですが、急速な開発の進行を考えると、熱帯地域の自然と人間生活をどのようにして持続的なものとして維持し発展させるかという視点が重要になってきます。生物過程が主体となった自然生態系に注目するだけでなく、自然と共存する社会的なしくみにも留意する必要があります。これからの熱帯研究はより広い視野をもとめられるだけでなく、幅の広いさまざまな研究の成果の研究交流が重要です。さらに研究成果は学界が独占すべきものではありません。広く社会に還元し、熱帯地域に生じている社会と自然をめぐる諸問題が正しく理解され、解決されるよう努力する必要があります。
